

## **Technip awarded contract for the Arthit field development in Thailand**

February 13, 2007

Paris, February 13, 2007

Technip has been awarded a contract by the exploration and production subsidiary of the national petroleum company of Thailand, PTT (Petroleum Authority of Thailand), for basic and detailed engineering of four generic wellhead platforms with associated subsea pipelines and tie-ins. The platforms will be installed in the Arthit gas field,
