

## **Technip awarded contract for gas compression facilities in the United Arab Emirates**

January 30, 2007

Paris, January 30, 2007

Technip has been awarded a lump sum turnkey contract worth approximately \$610 million by Abu Dhabi Gas Liquefaction Limited (ADGAS) for gas compression plants and associated facilities to be located at Das Island, United Arab Emirates.

This contract will be executed by Technip's operations and engineering center in Abu Dhabi.
