

Important Information for Investors and Securityholders

Forward-Looking Statement

This release contains "forward-looking statements" regarding our future dividend payment obligations as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. Such forward-looking statements are not guarantees of future performance or actions, and involve significant risks, including risks included in our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our latest Annual Report on Form 10-K, subsequent Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

About TechnipFMC

TechnipFMC is a leading technology provider to the traditional and new energy industries, delivering fully integrated projects, products, and services.

With our proprietary technologies and comprehensive solutions, we are transforming our resources while reducing carbon intensity and supporting their energy transition ambitions.

Organized in two business segments – Subsea and Surface Technologies – we will continue to advance the industry with our pioneering integrated ecosystems (such as iEPCI, iFEED and iComplete), technology leadership and digital innovation.

Each of our approximately 21,000 employees, a track record of operational success, and a culture of strong execution, purposeful innovation, and challenging industry conventions.

TechnipFMC uses its website as a channel of distribution of material company information. To learn more about how we are driving change in the industry, go to www.technipfmc.com and follow us on X (formerly Twitter) @TechnipFMC.
